## Australian Library and Information Association (ALIA)

### New Librarians' Symposium 9

Adelaide

July 5 -7, 2019

In the current technological climate, collaboration and innovation are inherent to ways of working and living. Generating ideas for innovating comes from thinking differently, deviating from traditional paths and challenging standard operating practices. NLS9 will look at how we can bring fresh ideas to our careers, develop adaptive skills, collaborate beyond the workplace and create networks to support our career development.

# Australian Literacy Educators' Association (ALEA)

National Conference 2019

Theme: Literacy Empowering Voices: Reflecting the Past, Viewing the Present, Scripting the Future

Melbourne, Victoria

9-12 July 2019

With the sub themes of:

**The language of stories** - Learning to craft and comprehend text (incl. print, oral digital, games etc.)

**Literacy as power:** Voice, identity and dangerous stories, past, present and future.

**Literacy capability:** Literacy across the curriculum.

We are delighted to have inspiring international and national speakers, who will address the conference theme and subthemes within local, national and international contexts. In addition to our plenary and keynote speakers there will be a variety of concurrent sessions to meet the professional learning needs of literacy and English educators.

# International Association of School Librarianship (IASL)

## 23rd International Forum on Research on School Librarianship

**Theme: CONVERGENCE – EMPOWERMENT – TRANSFORMATION: SCHOOL LIBRARIES**

Dubrovnik, Croatia  
21 - 25 October, 2019

The conference is dedicated to the advancement of theory and practice in school librarianship.

The main goals are:

- to learn about current school library practice and research;
- to discuss the mission, vision, and role of the school library in a digital society;
- to explore and discuss ideas for transforming school library programs;
- to learn about school library programs in Croatia and the region;
- to create global connections for future cooperation.

# Australian Library and Information Association (ALIA)

## National Library and Information Technicians Symposium 2019

Wednesday 13 to Friday 15 November, 2019  
Victoria University City Convention Centre and Box Hill Institute City Campus, Melbourne

The symposium will provide an opportunity for library technicians from around Australia to meet together in the formal setting of a structured program, to hear prominent members of the profession, as well as their peers, speak and debate contemporary issues relating to the profession, professionalism and library work in general. In addition, there will be many opportunities for networking including the symposium dinner, opening and closing events and daily breaks as well as the opportunity for networking at the ad hoc gatherings that this event supports and encourages.
